Langata Link Holiday Homes is an experienced villa rentals agency. We offer Kenya’s widest selection of private holiday homes. This website showcases the entire range of properties and in fabulous settings. Every holiday home is vetted by us before joining this portfolio and endorsed by satisfied clients who plan their holidays with us each year.

We represent the home-owners and act as a bridge between them and our clients, ensuring that each booking receives personal attention before, during and after the holiday.

These web pages are designed to give you a flavour of what each home offers, what activities can be planned and how to get there. Take a look through our collection and contact us to plan your stay.
